

More companies donate to victims

KUALA LUMPUR: Puncak Niaga (M) Sdn Bhd has donated RM200,000 to the National Disaster Relief Fund in aid of disaster victims. It also contributed 20,000 bottles of drinking water. Another company which has come forward to help the flood victims is SP Setia Foundation, the charity arm of SP Setia Bhd, which allocated RM100,000. Its chairman, Tan Sri Lee Lam Thye, said the foundation was concerned with the urgency in sourcing funds to repair the affected homes and the allocation would come in handy to lessen the victims' burden. "Upon receiving their requests, we will carry out site visits to determine their eligibility for assistance," he said. Those who need assistance should contact the foundation at 03-58910657 or 03-5882-2000 ext 205, or email setiacare@spsetia.com.my.
