

Flood-hit farmers in NCER to get aid

KANGAR: Farmers in the Northern Corridor Economic Region (NCER) affected by the floods will receive aid from the government, special adviser to the prime minister on the NCER Datuk Seri Shahidan Kassim said yesterday. He said the relevant departments and agencies were gathering information on the extent of the farmers' losses. The NCER covers Perlis, Kedah, Penang and northern Perak. The Northern Corridor Implementation Authority had distributed RM90,000 worth of foodstuffs to flood victims in Perlis and Kedah, Shahidan said after handing over aid for flood victims in his Tambun Tulang state constituency at Sekolah Kebangsaan Tambun Tulang near here. — Bernama
