

Over 100 evacuated due to Perlis flood

KANGAR: Over 100 people in Chuping, Titi Tinggi, Beseri and Bintong have been evacuated to seven flood relief centres after water levels rose.

Perlis flood operations room spokesman said as at 9pm last night, the evacuees comprised 47 families.

The evacuation centres are in Titi Tinggi Hilir, Panggas Besar, Guar Medang Gatal and Kampung Melayu Batu 15.

The other two are in Kampung Syed Omar and Panggas Kecil.

The water level at the Tisoh Dam at 6pm was at 29.26m. which was below the danger level.

Six water sluices had been opened to control water level at the dam, said a Drainage and Irrigation Department spokesman.

Menteri Besar Datuk Seri Dr Isa Sabu visited those areas affected by the floods. — Bernama
