

# Strong winds, rough seas warning off coastal areas

**PETALING JAYA:** A Category Three strong winds and rough seas warning has been issued for waters off several areas including the east coast until Tuesday.

The Meteorological Department said conditions were dangerous for

all coastal and shipping activities including workers on oil platforms.

"Strong northeasterly winds over 60kph with waves more than 5.5m occurring over waters off Kelantan, Terengganu, Pahang, east Johor, Samui, Tioman, Bunguran, Condore,

Reef North and Layang-Layang are expected to continue until Tuesday.

"The coastal areas of the east coast are also vulnerable to sea rise," it said.

The department also issued a

Category Two strong winds and rough sea warning with waves of up to 4.5m for waters off Sarawak, FT Labuan, Sabah (Interior, West Coast and Kudat), Reef South and Palawan, making it dangerous for fishing and ferry services.
