

MONDAY BLUES MADE WORSE

It was **slow going** for **motorists** along **Jalan Syed Putra** heading towards the city centre as a **downpour** yesterday made the **Monday morning rush hour** worse than usual. **Several other roads**, including the **Federal Highway**, the **Middle Ring Road 2**, the **Sungai Besi Highway** and the **Duta-Ulu Kelang Expressway**, were also affected. The traffic jam was also **aggravated** partly due to the **closure** of the **Stormwater Management and Road Tunnel system** at 7.05am to allow excess water to be channelled out of the city. **Pic by Zulfadhli Zulkifli**
